Topic raised - Smiths Quarry

Malcolm Eykyn confirmed that fortnightly meetings are now taking place with David Cooper – Senior Minerals Planning Officer.

Despite being advised that the second consultation would not start until end of November, notifications had been issued by WCC, dated 7<sup>th</sup> November, to say that the consultation had just started with a closing date for observations of 28<sup>th</sup> November.

Not everyone who should have received this information had been notified and the minimum consultation is 30 days and NOT 3 weeks.

There will now be a 30 day period from the 7<sup>th</sup> November, in fact it is hoped that the 2<sup>nd</sup> consultation will close on 9<sup>th</sup> January 2026.

The revised consultation is a 2,500 page document and the 'Stop the Quarry' campaign are working meticulously through the document, which takes considerable time.

All documents are available on the WCC Minerals Planning website.

When making comments it is important that people make it known how this development would affect them personally and also if they feel that any aspect of the application goes against planning policy.

The Chair confirmed that the JPC be submitting a response and will call an Extraordinary meeting with a representative from the 'Stop the Barford Quarry' campaign present, to consider their response.

Cllr Clay passed his thanks to Malcolm, Val and the whole committee for their valuable efforts and this was echoed by the JPC members.

The JPC approved the Management Accounts to October 25

# 106 Appointment of Co-opted Member

Emily Crow was co-opted as Councillor representing Wasperton Parish receiving an absolute majority of votes of those present and voting.

# 107 Policies for Review

Councillors Statement of Assurance

The concept of using the statements was unanimously adopted by the JPC Signed statements to be held by the Clerk.

# 108 <u>Fixed Asset Register</u>

Carried over to January 26 meeting.

#### 109 JPC Email/Website

8 Cllrs have yet to transfer their e-mail to the .gov.uk domain. Clerk has reissued guidance notes to those who requested them. Chair pressed the necessity of completing the transfer. Clerk will monitor progress and assist if required.

Meanwhile, population of the new website continues. Cllr Hawkesford will be supplying the Clerk with drone shots of all 3 villages for use on the website. Once information gathering was complete, the Clerk will input the information on to the website, along with URL links where possible.

Meeting to be arranged for beginning of December to present new website to JPC for feedback before going live.

# 110 Youth Advisory Board – Update

Following the first meeting of BSW Youth Forum, on 2<sup>nd</sup> October at BYCC, unofficial feedback would indicate support for a social activity to take place in December.

The next Youth Forum meeting will be held on 24<sup>th</sup> November and the meeting will be promoted on all social media platforms, in schools, and also by posters at local bus stops across the three villages.

The proposal of a film night in December will be put forward at the meeting with the members taking responsibility for organising the evening, as a ticketed event, with the help and support

of their mentors.

Estimated cost for holding the film evening will be £250 which will be taken from the £1k allocated budget.

#### 111 Barford Public Toilets

Carried over to January 26 meeting

# 112 Barford Community Portal – Village Directory

The working party, co-ordinated by Cllr Sheard, continues to work on updating the information contained on the Community Portal.

Cllr Sheard will liaise with the Chair and Cllrs Merrygold and Billingham to pull together the updated information, along with any new useful content identified, for all three villages. Once completed, the information will be passed to the Clerk to update the new JPC website.

#### 114.1 KGF – TPO (Tree Preservation Order) on Coronation Oak

A TPO order has been placed on the Coronation Oak in KGF.

Having inspected the Coronation Oak the Forestry Department at WDC had made the following recommendations:

# Management Recommendations

#### Option 1 - Do Nothing

Given the current risk posed sits at a tolerable to broadly acceptable level, there is a reasonable option to do nothing.

#### Option 2 - Targeted Reduction

A reduction in height of the affected limb of circa 1.5m to alleviate wind loading stress on the union could be considered a reasonable approach. This would help preserve leaf growth which supports the tree's recovery and results in adaptive growth.

#### Option 3 - Heavy Reduction

A more extensive reduction could further lower risk but would require balancing the entire crown, resulting in a temporary loss of aesthetic value until regrowth occurs. Given the presence of inner growth, full canopy loss is unlikely in the resultant reduced crown.

# Option 4 - Tree Removal

While this would eliminate all risk, we consider this a disproportionate response based on current risk levels.

In light of the TPO, options 1 and 2 would be the most appropriate course of action.

The Chair will discuss the options with the insurance company and take advice on the most appropriate action to ensure that JPC is covered for any liability in case of any accident that can be attributed to the Coronation Oak – item to be added to the January agenda.

# 114.2 <u>Local Climate Engagement Programme</u>

The Chair had recently attended the South Warwickshire Local Climate Engagement Programme (LCEP) event which was a collaborative day focused on accelerating locally-led climate and nature action across the region. A number of Parish Councils came forward with information on initiatives that they had undertaken and the Chair asked all members to give some thought on how the JPC could contribute to the initiative.

# 114.3 Community Speed Watch

The Community Speed Watch initiative has asked for volunteers to record details of speeding vehicles in Barford using approved detection devices. There have already been volunteers from the village and three members of the JPC have also volunteered their services.

# 114.4 Glebe Proposal Meeting

Cllr Gadsden asked if there was any further news with regard to the recently cancelled meeting which was organised by the Project Leader. No news as yet but the Clerk will circulate any update upon receipt.

# 114.5 WCC Devolution Meeting

The Chair attended the WCC Devolution Meeting and reported that the biggest area of concern for parish councils was the uncertainty over potential duties that could be imposed on the first tier of council. It had been made clear that there was no compulsion on PC/TCs to assume extra duties, however "opportunities" might arise. It remained unclear which model of devolution/unitary authority our councils and communities favoured and ultimately HMG will dictate that outcome.

Cllr Phillips confirmed that WCC had until the end of the month to submit their views on the structure of the Unitary Council.

#### 114.6 SWLP – Preferred Site Announcement

Cllr Phillips advised members that the Preferred Site announcement would not happen until 2026.

# 115 Closure

There being no further business, the meeting closed at 8.55pm
