- 45 **Application No: W09/0976LB**
Description: A retrospective planning request for two remote-controlled canopies erected in the garden area to the rear of the building by the previous owner some 4-5 years ago. The opened canopies cover the seating area leading up to the lawn and are Terracotta in colour. They are designed in such a way to ensure minimal impact but maximum protection for adults and children against direct sunlight so that they can enjoy alfresco dining and the warmer weather in comfort.
Address: Granville Arms, 52 Wellesbourne Road, Barford, Warwick, CV35 8DS
Applicant: The Granville @ Barford
JPC Decision: No objection

Notifications

- 46 **Application No: W09/0408**
Description: Single and two storey side extension, single storey rear extension, replace rear flat roof with pitched tiled roof.
Address: 31 Dugard Place, Barford, Warwick, CV35 8DX
Applicant: Mr Baker
JPC Decision: The JPC objects on the following grounds:
1. The proposal is in violation of the Barford Village Design Statement which states:
 - General Design Guidelines: Side extensions can also affect the street scene if they close the gap between the dwelling and adjacent properties. This terracing effect should be avoided by maintaining suitable and proportionate spacing.

- Zone 3: Many houses in Dugard Place have been extended sometimes inappropriately. Any further extension should comply with the general guidelines (especially side spacing) and respect the original concept of this development. Existing inappropriate extensions should not be seen as an excuse to depart from these guidelines.

2. The size, design and use of a proposed building do not fit in with its surroundings.

3. The adverse impact of a proposed development on sunlight and daylight to adjoining dwellings.

4. The undesirable effect of the proposed development on privacy of adjoining residents.

WDC Decision: GRANTED
