### Planning Applications

- 23 **Application No: W/19/0680 LB**  
Description: Re-decorate the exterior of the building in BS 10 C 31 & RAL 3004. Erection of new illuminated and non-illuminated signs to the exterior of the building.  
Address: Joseph Arch, 7 Bridge Street, Barford, Warwick, CV35 8EH  
Applicant: Star Bars  
JPC Decision: The JPC objects to this proposal, specifically on the choice and extensive use of RAL 3004 (or other similar dark colours) **for the end/gable walls of the building** where its purple-red hue is over-imposing and conflicts with rather than blends into the ambiance of buildings surrounding it.  
The Barford Village Design Statement (on Page 6) puts "The Joseph Arch" in Zone 1 – The Village Core which it describes as "*The historic heart of the village [which] affords a very attractive prospect where old and new blend well together.*" The JPC does not object to the use of such colours for detail or highlighting purposes on window sills and frames and the like on the front of this building as proposed.
- 24 **Application No: W/19/0681**

Sign B - 3 x new sets of individual house name letters applied direct to the building.
