

Freemasonry has been around for many years. It's been said by Masons that if your father, grandfather, great grandfather, uncle, brother, or anyone you respect, alive or not, has been a part of the oldest fraternal organization known to man, you too should consider becoming one.

You've probably seen our slogan "2B1Ask1" (to be one, ask one) on a vehicle's window or bumper sticker. It's a great honor to be a Mason, however Masons are not supposed to ask you to become one of us. *You* have to do the asking. If you would like to be considered, and are serious about it, find out if you qualify to be one by making that first step, and *asking* to be one, hence "2B1Ask1".

Rose Hill Lodge 484's Worshipful Brother Sammy Starling 33°, is a multi-time Past Master, and well qualified to answer your questions, if and after you make that first step. Sammy's number is 706-681-6051, so give him a call to get more information on exactly what it takes to become one of us. But remember... he won't ask you... *you* will have to do the asking.
