A welcome return to The Studio for Manchester Evening News award-winning Ben Faulks with a specially re-developed working of THE ENDURANCE under the direction of his original collaborator, Fringe First Winner and Arches Artist in Residence, Al Seed.

An old man hauls an equally ancient and broken piano along rusting train tracks. His energy is spent and the faceless entity that pursues is almost upon him, and yet, round the next bend maybe..?

This extraordinary one-man show draws on the tradition of the travelling player and the expeditions of Scott and Shackleton to tell a tale of survival in the face of impossible odds and unstoppable ambition fuelled by tea and mint cake.
