Dear Sir/Madam

Proposed 50 mph speed limit

Warwickshire County Council is now advertising a Traffic Regulation Order to implement a 50 mph speed limit on the A429 Barford Bypass.

The scheme will involve the use of speed limit traffic signs. New speed limits with reduced vehicle speeds will help improve the environment for residents, pedestrians and cyclists.

Please find attached the public notice and map formally advertising these proposals.

Any objections to the proposals for the Order, which must be in writing and specify the grounds on which they are made, should be addressed to Sam Hansen, Traffic and Road Safety, Communities Group, PO Box 43, Shire Hall, Warwick, CV34 4SX. (Objections will normally be treated as public documents and may be communicated to other persons affected.) Objections must be sent so as to be received by 13th September 2019.

Yours faithfully

S. C. Hansen
