**Gypsy and Traveller Sites**

- 4 The aim of the meeting was to frame the JPC's response to Warwick District Council's proposals for the provision of Gypsy and Traveller sites.
- 5 The meeting reviewed every site considered by WDC noting the category (red, amber or green) and the selection criteria used.
- 6 For each site the criteria were examined and where they were agreed the category was supported but where they were not the category was amended with supporting evidence.
- 7 The amended schedule of sites (a copy of which will be retained in the Minute Book), together with more general points on the quality and method of site selection, will be submitted to WDC.
- 8 It was agreed that Cllrs Mrs Sawdon and Rhead (district councillors for Barford, Sherbourne and Wasperton) be asked to arrange and if possible be present at a meeting with an appropriate senior figure in WDC to present these findings in person.

**Closure**

- 9 Cllr Mrs Gordon thanked the Chairman for his preparatory work for this meeting without which, in her estimation, its length would have been doubled. Members present heartily concurred.
- 10 There being no further business the meeting was closed at 9:15pm.
