Notifications

- 96 **W05/1645**
Llwn, Wasperton Thank you for your Council's response to the minor amendment consultation at the above property. It is not possible to impose conditions on a minor amendment and, since the bottom of the rooflight was designed to be at eye level (1.5m above finished floor level), it would not be possible for the average person to look down into the neighbours garden. In view of those facts, the amendments have now been approved under delegated powers.
