

# Barford Parish Meeting

There will be a special  
Barford Parish Meeting  
held in Barford Memorial Hall  
on Monday October 5<sup>th</sup> 2009 at 7.30pm  
to discuss the **SHARBA HOMES** proposals  
for land near **Barford House**

The meeting will give the community the opportunity to explore the proposals which are currently in outline form but are the result of the previously undertaken consultations. From the papers presented it seems that a planning application is imminent and our responses to the questionnaire will influence the final application.

Hopefully discussions will enable all residents and councillors to consider all the implications of the scheme and to identify genuine community interests and wishes, preferably before completing submissions.

In particular we may wish to consider:

- The housing size and type proposals
- Community facilities which might be provided, particularly size and style
- Whether the funding contributions are appropriate and acceptable
- The various bodies which may be best positioned to hold and control the assets in the future
- What sporting or recreational activities would be most appropriate
- Any other aspects you consider important at this stage

**ALL RESIDENTS WELCOME**  
**PLEASE COME, VOICE ANY OPINIONS AND HEAR THE DISCUSSION**

If unable to attend – views welcome in advance by phone, letter or email
