Cheap Beer

Brettenham Village Hall has a bar open on the first Friday evening of each month and we ride over there.

The exception is the July opening, which will be on the second Friday: July 9th. We don't know the reason for the change of date but it suits us because, otherwise, it would have clashed with Stowmarket Beer Festival.

Julibee

As reported in the previous Dagworth Wheeler, we had the idea of getting some 25th Anniversary commemorative sweatshirts and asked if any of you would be interested in having one. Guess how many replies we had ... one.

That put paid to that idea.

Never mind, we've thought of something else instead. This one is particularly cunning as it has no setting up costs and no minimum quantity so, even if only one of you wants one we can just produce that one. And what are these mystery items? They're leather tool bags. There's a choice of two styles: a triangular bag to hang on the frame or the traditional type that fits on the saddle. The

flap has D&DGCS and the dates 1985-2010 embossed on it. At only £10, the cost is heavily subsidised, so the offer is limited to one bag per member. However, if you do want more than one, additional bags can be ordered at £25 each.

The bags can be ordered from the Social Secretary at 7 Unity Road Stowmarket, IP14 1AS. If you're paying by cheque, please make it payable to "Dagworth & District G C S".

Trundle, trundle, trundle...

There will be a V-CC West Suffolk Trundle is on 11th July.

Our informant tells us that the plan will be

DAYTON SUPREME ROADSTER

A beautiful looking cycle built for strength and comfort. First-class components throughout, incorporating yoke and hinge brakes; Good leather saddle. The frame is rust-proofed before being enamelled with a glossy black surface.
