Meetings

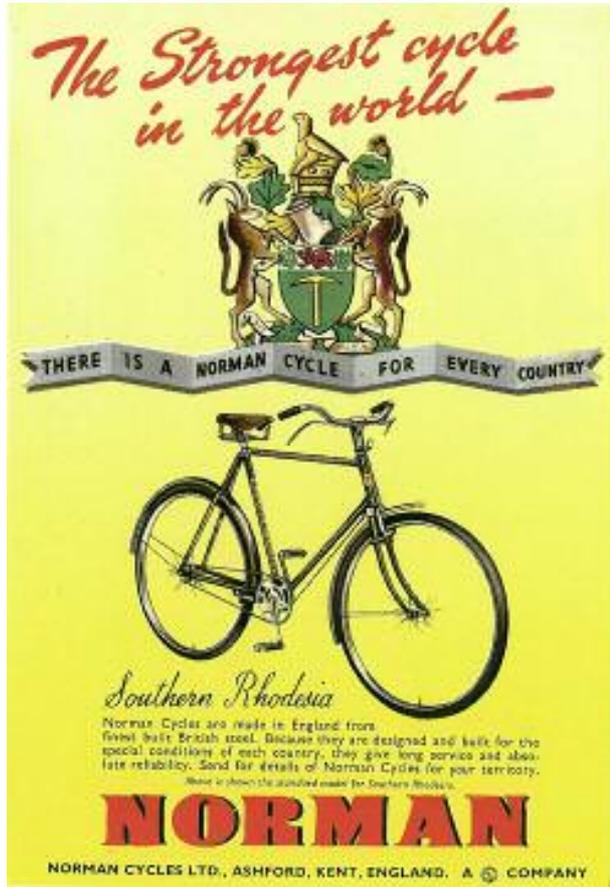

The next monthly meeting, on September 16th, is at Buxhall *Crown*. After that, we're into the winter schedule, so the monthly meetings on 21st October, 18th November and 16th December will all be at Rattlesden *Five Bells*. The next quarterly meeting is on December 2nd and that will be as Naughton *Wheelhouse*. At all evening meetings, we try to get to the pub by 8:30pm.

Friday night out

Brettenham Village Hall has a bar open on the first Friday evening of each month and we ride over there.

More Monthly Meetings

The Veteran-Cycle Club 'Flat Section' meets at *The Scole Inn* on the last Monday of each month. They gather between 7:00 and 7:30 after which they pedal off for a mere five-mile saunter to a more suitable pub - usually Rushall *Half Moon* or Hoxne *Swan*. Make a 'phone call to Cally on 01986 784664 if you want to know more.

A Trudge

On Sunday October 17th, the Flat Section of the V-CC will be trudging for the 23rd time. Meet at Marlinspike Hall, Walpole. There's a cycle rummage sale before the ride sets off at 11:30, heading for Cratfield *Poacher* for 1:30. Lunch should be pre-booked by calling the pub on 01986 7982065.

Snow

Here's the annual warning that, in the unlikely event of there being a suitable quantity of snow on the ground one weekend, we'll have a cycle ride through it. If you get up on a Sunday to find the world has turned white, telephone Andrew on Stowmarket 673943 to find out where and when the ride will be. Alternatively, you could 'phone him

now and ask to be added to the list of people he will call up when the ride takes place

Christmas...

...is coming and that means two things: the D&DGCS Christmas lunch and the V-CC Flat Section Boxing Day Ride. The first of these leads its own independent existence; I can hazard a guess that it will be on a Sunday in December at Stowupland *Crown*...

I'm also guessing that, because Boxing Day is a Sunday, the Boxing Day Ride will be on Boxing Day. Meet at Mick Madgett's shop in Diss from 10:00am.

Jumble

Whittlesea (or Whittlesey) Cycle Jumble is at Whittlesey (or Whittlesea) on Saturday 9th October. It's at St Andrews Hall from 1:00pm until 4:00pm and the entry fee is a mere half sovereign. If you buy something really lovely, you could ride it on the Trudge the following week. We usually go by train as this allows us to combine the jumble with some visits to Whittlesea's (or Whittlesey's) fine selection of pubs.

There's a Raleigh Industries Model to suit every bicycle buyer in every overseas market

The British Cycle Show emphasized once again the fact that Raleigh, Rudge and Humber Cycles are "the Greatest Names in Cycling". To mark a show of steady growth, Raleigh Industries produces in its widest range—only such features as the standard Dynalene and Sturmev- Archer sprung gear (Dynamator), built-in mud-guard, rubber mud spacers and the Humber "Flex" Fragger Control in the Summer-Action Gear. There are specially designed models to suit all conditions of cycling in every part of the world. Sell them for bigger and better business, for increasing profits and growth.
