Return to HQ

As usual for the winter months, our Monthly meetings return to HQ: Rattlesden *Five Bells*. They are on the third Thursday of each month, so that's 16th December, 20th January, 17th February and 17th March.

The AGM will be on 3rd March at Naughton *Wheelhouse*.

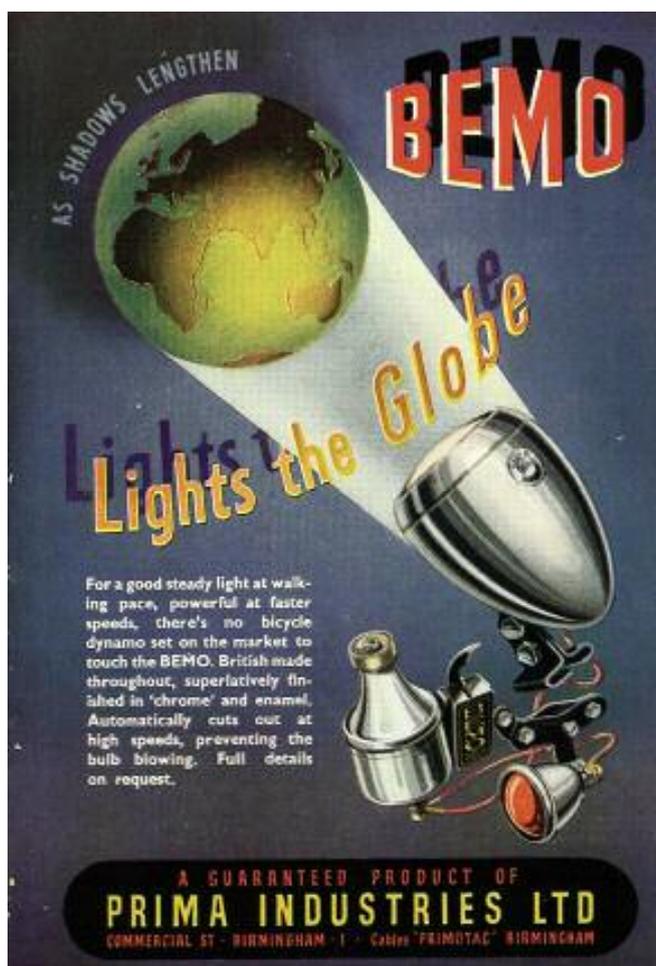

At all these evening meetings, we try to get to the pub by 8:30pm.

More Monthly Meetings

The Veteran-Cycle Club 'Flat Section' meets at *The Scole Inn* on the last Monday of each month. They gather between 7:00 and 7:30 after which they pedal off for a mere five-mile saunter to a more suitable pub - usually Rushall *Half Moon* or Hoxne *Swan*. Make a 'phone call to Cally on 01986 784664 if you want to know more.

There won't be an evening meeting on 27th December because ... there's a daytime one instead

BEMO

Lights the Globe

For a good steady light at walking pace, powerful at faster speeds, there's no bicycle dynamo set on the market to touch the BEMO. British made throughout, superlatively finished in 'chrome' and enamel. Automatically cuts out at high speeds, preventing the bulb blowing. Full details on request.

Late again

The V-CC Flat Section 24 Hour Late Boxing Day Ride is on Monday 27th December. Meet at Mick Madgett's shop in Diss from 10:00am. (So my guess that the Boxing Day ride would be on Boxing Day was wrong.)

Early

To counterbalance the tardiness of the Flat Section's Boxing Day Ride, we'll be a day too early for our Valentines Day Ride. We're heading for Bradfield St George *Fox and Hounds*, so Stowmarket Railway Station at around 11am should be a good

place to meet. Unless you live somewhere like ... oooh ... Bury St Edmunds, say, in which case, just aim to get to the *Fox and Hounds* a bit after midday.

The original and best Cycle Gears in the World

It's experience that counts in making gears. Robert Sturmev-Archer there stands a long history of manufacturing the variable gear that combines all the advantages the knowledgeable cyclist demands. The world over, the name of Sturmev-Archer stands without an equal.

New Year

This is the last newsletter of our Silver Jubilee Year; on New Year's Day it will all be in the past. On that day we will, as tradition demands, go for a bike ride. We'll meet in Unity Road, Stowmarket at 11-ish and head for Offton *Limeburners*

Snow

We've already had some snow, but we haven't had the Snow Ride yet; most of it had thawed before we got ourselves organised. Never mind, there'll be some more ... won't there?

If you get up on a Sunday to find the world has turned white, telephone Andrew on Stowmarket 673943 to find out where and when the ride will be. Alternatively, you could 'phone him now and ask to be added to the list of people he will call up when the ride takes place

Golden Guinea

This is the last newsletter of the year, so it is time to renew your subscriptions ... unless your name is Ken. To be certain of getting a copy of all 2011's newsletters, just pay the sum of one guinea to the Social Secretary - it's as simple as that.
