MORE MONTHLY MEETINGS

Earl Soham *Victoria* and stay there. Making a 'phone call to Cally on 01986 784664 to check that you're heading for the right pub is a really good idea.

THE CYCLIST who likes a spin at weekends

Extra deep slots - Extra tough tread

You'll find a new joy in cycling on deep slotted Englebert A.D.'s, because you can trust them to STOP S-K-I-D-S. Because they'll bite on corners and in the wet — without slowing. Because they take the danger out of sudden braking. Because, for all their grip and bite, they are delightfully light and lively. Introduce yourself to safer cycling — fit Englebert A.D.'s. In all standard sizes, 7/6 each.
