

# HOW TO BOOK YOUR HOLIDAY

Check our Web Site: [www.selfcateringislesofscilly.co.uk](http://www.selfcateringislesofscilly.co.uk)

## FOUR EASY STEPS TO TAKE

**1** Please telephone us on Truro (01872) 863537 or email [tim@scillybilly.co.uk](mailto:tim@scillybilly.co.uk). We have an efficient answering service if the office is closed. Many of our guests book from year to year, so please ring to check availability. We can then make a **provisional** booking which we will hold for you for SEVEN DAYS. If the office is unmanned our answering service takes over. Please leave your name, telephone number and we will telephone you as soon as the office reopens

**2** Send us by first class post your **booking form** and **deposit** when you know that your flat is provisionally reserved. Our address in Truro is at the top of the booking form. On receipt of this we will write to you and confirm your reservation.

**3 Travel**  
As soon as possible book your tickets for travel by sea or air to the islands. **Please advise us of your approximate time of arrival** as it really does help us.

**4 Cancellations and Insurance**  
With your confirmation letter, we will send you an insurance form, make out a separate cheque and send with the proposal form to the insurance company. **Please take out some form of insurance.**

When you book a holiday you are entering into a **legally binding contact**. If you have to **cancel** your holiday, you are still liable to **pay the total amount** for the holiday by the due date. We will always do our best to relet the flat after a cancellation and if successful will **refund** the balance less £50 administration costs and less any shortfall figure if the holiday was relet at a reduced rate. Cancellations must be advised by telephone and then confirmed in writing but the applicant still remains liable for payment of the full amount of the letting fee. Failure to make such a payment will be treated as a **breach of contact**. This does not affect your statutory rights.

We strongly recommend that you take out Insurance against **cancellation** of your holiday and perhaps include a **travel delay**. Being a group of islands some 28 miles out from Lands End we are at the mercy of the weather and this can sometimes cause delays.
